  Nadar Hr Sec School, Rajapalayam   2021-2022

- **SSLC**
  Nadar Matric Hr Sec School, Rajapalayam   2019 -2020

TECHNICAL SKILLS

- Programming Language : Python , C
- Full Stack Development

SOFT SKILLS

- Teamwork
- Time Management
- Adaptability

PROJECTS

- **Online Examination System**
  - **Developed an online exam platform using React.js, Node.js,Express.js, and MongoDB.**
  - **User Authentication & Admin Panel – Implemented secure login and an admin panel to manage users, exams, and results.**
  - **Automated Scoring – Integrated real-time score calculation and report generation.**
- **Sentimental Analysis**
  - **The project uses CountVectorizer to convert raw text data into numerical feature vectors suitable for machine learning models.**
  - **It trains two sentiment analysis models—Logistic Regression and Naive Bayes—and evaluates their performance using accuracy, precision, and F1-score.**
  - **The results of both models are compared, and a bar graph is used to visually illustrate the accuracy differences between them.**
